Ecuador finds itself in a precarious position - literally

This study was of 3,159 men adjusted for age at diagnosis, race, socioeconomic status, Gleason score, biopsy grade of tumor, and year of diagnosis.

It was a dream delivery and a dream baby.

Oh, you forgot the best natural cure Boiron makes a homeopathic called 'Rhus tox' which is derived directly from the poison ivy plant.

The mites may bother me? Now I'm afraid to kiss them and I feel bad (I know the mice could care.
